We would like to thank the community of Englefeld for accepting us as family in 1984. Our plan was to only stay in Englefeld for a couple of years... and here is 35 years... time does fly when you are having fun. We had a tough decision to make, as to stay with family, or move closer to family, and the grandchildren won out... Don and myself enjoyed every part of our involvement in the community like KCs, Bowling Alley, Bingo, Parish Suppers, Santa, Hogfest, Penny Auction, Credit Union and how everyone accepted us as your own. Englefeld will always be home for us and we will be back often and welcome visits whenever you are in Saskatoon.

We will miss Englefeld and Love you all.

- Don and Bonnie

CWL News...

First meeting of the year was held Sept 2. Audrey gave us a good report on the National Convention held in Calgary. The National CWL is redoing our elected Convenars In the future only 6 Convenorships will be elected. President, Secretary, Treasurer, Faith, Service and Social Justice. We will be starting this new form this November when we vote in our new Executive. You can see that Convenorships have been combined—ie. Resolutions; Christian Family Life and Health & Education all now under Social Justice.

Sept 29 we held a Sunday Brunch after 11AM Mass to celebrate Holy Guardian Angels Feast Day re Oct 2. Thanks to all who donated, worked & attended.

We also donated \$250.00 to Father Francis for him to take to his home in Gihana for Charities there.

Our CWL Diocesan Convention was a good success and our initial \$1,000.00 raised for it has been returned plus \$250.00. Members please watch for nomination sheets at Church for elections this fall.

Registration is fast approaching—thank-you for continuing your membership in our CWL. Check the list of Charities on Bulletin Board to see where some of your money goes—A mass is also read for you as a member every month. And the large member of National CWL members helps us to influence politicians.

Thank-you also to all who donated "purses" and clothes which were delivered to Melfort Shelter for needy & abused women & children. It was most gratefully received.

A man lay sprawled across 3 entire seats in the posh theatre. When the usher came by and noticed this, he whispered to the man, "Sorry, sir, but you're only allowed one seat." The man groaned, but didn't budge.

The usher became more impatient. "Sir, if you don't get up from there, I'm going to have to call the manager." The man just groaned. The usher marched briskly back up the aisle, and in a moment returned with the manager. Together the two of them tried to repeatedly move the man, but with no success. Finally, they summoned the police.

The officer surveyed the situation briefly then asked, "Alright buddy, what's your name?" "Sam," the man moaned.

"Where ya from, Sam?"

With pain in his voice Sam replied, "The balcony."

A physician told this story about her then four year old daughter. On the way to preschool, the doctor had left her stethoscope on the car seat, and her little girl picked it up and began playing with it. "Be still my heart," thought the doctor, "my daughter wants to follow in my footsteps!" The child then spoke into the instrument and said, "Welcome to McDonald's, may I take your order?"
