## VILLAGE NEWS...

- DO NOT put any grease down the sink or drains, this will form grease logs and entirely block your sewer line.
- DO NOT flush feminine hygiene products down the toilet.
- DO NOT flush baby wipes, make-up removal wipes, Lysol disinfectant wipes or any kind of paper towel or similar products.
- DO NOT dispose of any liquid food by flushing down the toilet or dumping down sink drains. Often this food will congeal in the lines and create blockages.
- Scrape off plates before washing to avoid excess food waste going down the drain when you do dishes or load your dishwasher.

Did you order a package from amazon and have it shipped to the Village Office? Come down to the office and if you can tell me what you ordered I will hand it over to you!

Spring is around the corner, please take some extra time this year to clean up your yards and get rid of old cars and garbage from your yard sites. A clean community reflects our pride in making our homes here!!

FOUND KEYS. THEY HAVE BEEN HERE FOR ALMOST A YEAR, DID YOU LOSE A SET? IT'S A FORD VEHICLE.
