Thanks to Alice Radoux and Brenda Strunk for all your years on the executive for CWL.

Special thanks to all who made the Fall Supper a success!

Rene, Richard and Gerwin for manning the barbeque.

Agnes, Emilia, Daisy, Donalita, Irish, Annabelle, Eliza, Rhona, Maritas, Ellen, and Audrey for their work preparing a delicious supper which everyone enjoyed.

None of this is possible without the work of all of the volunteers whose names are not listed here. Many thanks go to you as well.

Congratulations Rhona and Rene Jiminez on successfully completing their Canadian Citizenship exam and interview!

A golfer, who was known for his bad temper, walked into the Pro Shop one day and plunked down big bucks for a new set of woods.

The staff all watched to see what would happen after he used them for the first time—more than half expecting he'd come in and demand his money back.

But the next time he came in, he was all smiles.

"They're the best clubs I've ever had," he said. "In fact, I've discovered I can throw them at least 50 feet farther than I could my last ones."

A little guy gets on a plane and sits next to the window. A few minutes later, a big, heavy, strong, mean-looking, hulking guy plops down in the seat next to him and immediately falls asleep. The little guy starts to feel a little airsick, but he's afraid to wake up the big guy to ask if he can go to the bathroom. He knows he can't climb over him, and so the little guy is sitting there, looking at the big guy, trying to decide what to do.

Suddenly, the plane hits an air pocket and an uncontrollable wave of nausea passes through the little guy. He can't hold it in any longer and throws up all over the big guy's chest. About five minutes later, the big guy wakes up, looks down, and sees the vomit all over him

"So," says the little guy, "Are you feeling better now?"

You know
you're from
CANADA
when...

1. You only use three spices: salt, pepper and ketchup.
2. Canadian Tire on any Saturday is busier than any toy stores at Christmas.
3. You design your kids Halloween costume to fit over a snowsuit.
4. The mosquitos have landing lights.
5. You have more miles on your snowblower than your car.
6. You have 10 favorite recipes for moose meat.
7. You've taken your kids trick-or-treating in a blizzard,
8. You live in a house that has no front step, yet the door is one meter above ground.
9. Driving is better in winter because the potholes are filled with snow.
