

ENGLEFFELD PERKS

SEPTEMBER 2020 | Whitney Athmer 1-306-287-7144 whitneyrose044@gmail.com

Englefeld Preschool Registration and Parent Meeting

Thursday Sept 10th @ 7pm at the rink
Preschool students must be 3 or 4 years of age by Dec 31st, 2020.
Call Loraine at 287-3391 for more information

With Englefeld no longer having plastic & glass recycling bins, Loraas Disposal North Ltd. in Saskatoon (1902 1st Ave North, just behind the Brick on Circle Drive North) will accept these items, if you choose to bring them with you on city trips. Their bins are open 24/7. Recycled items must be placed loosely in the bins, NOT together in a plastic bag. All items must be clean.

All plastics must have the recycle symbol and a number inside from #1 to #7; plastics cannot be accepted with ONLY the recycling symbol. Black plastic is not accepted. Help reduce the number of items that are going into landfills! For more information, visit www.loraas.ca.

The library is open for curbside pickup only. Please call Deb at 1-639-280-7770 during library hours to make an appointment for pickup/dropoff of library materials, or for more information.

September School Events

8th—First Day of School
21st—No School

Congratulations Ryley Zimmerman and Mataya Moyon on the birth of their baby boy! Hayden William Zimmerman. Born on June 28th, 2020, 5lbs 8oz & 19" long. Proud Grandparents are Lyn & Donna Zimmerman, and Marcel Moyon & Darlene Bokinac.

The family of Cecilia Wacholtz wish to sincerely thank everyone for their support during and after Cis's passing. The phone calls, visits, cards, food, gifts, and donations to Holy Guardian Angels Parish and the Lodge showed your kindness which will be long remembered.

Cis had a good sense of humor and was known for her witty remarks. In her honour make someone smile today!

-Glenn Wacholtz, Jeanne Langhorne, Audrey Zimmerman, Denise Ksyniuk, Bob Wacholtz, Terry Wacholtz, Cindy Dumont, and Rita Wacholtz.

SENIOR THOUGHTS

#1. It's okay to talk to yourself. There are times you need expert advice.

#2. "In Style" are the clothes that still fit.

#3. The biggest lie you tell yourself is, "I don't need to write that down, I'll remember it."

#4. "On Time" is when you get there.

#5. It would be wonderful if we could put ourselves in the dryer for ten minutes, then come out wrinkle-free and three sizes smaller.

#6. Lately, you've noticed people your age are so much older than you.

#7. Growing old should have taken longer.

#8. Aging has slowed you down, but it hasn't shut you up.

#9. "One for the road" means peeing before you leave the house.

#10. You still haven't learned how to act your age, and you hope you never will.

A woman applying for a job in a Florida lemon grove seemed way too qualified for the job. "Look, Miss," said the foreman, "Do you have any experience in picking lemons?" "Well... as a matter of fact, Yes!" she replied, "I've been married and divorced three times."

What **Back-to-School** looks

Learning

We acknowledge the unusual experiences of staff & students since March 2020, and accommodations have and will be considered

Our school will remain an inclusive learning environment

All children will participate in the full Saskatchewan Curriculum

Option to learn from home is available

New schedules minimize the number of instructional teachers per classroom

like in **ENGLEFELD!**

Return to School

Each classroom will be a cohort that remains together (not mixing with other cohorts) to minimize contact and maintain physical distancing throughout the day

The School Division is providing one reusable mask per student; parents are asked to supply additional masks for their child's use and a sealable bag for storage

Parents are asked to remain outside the school for drop off or pick up

Access to school during the day is restricted to the public and by appointment only (306-287-3568)

Anyone visiting the school will sign in and follow all protocols as posted

Designated entrances; Gr. K-6 main north doors, Gr. 7-12 south doors

Health & Wellness

There will be a strong focus on personal hygiene and disease prevention measures; such as hand-washing, sanitization, mask usage, etc.

Student support services will continue to be available (counselling, SLP, OT, etc)

As always, we will provide a compassionate learning environment to support mental health

There is signage throughout the school to promote the practice of social distancing

Mask usage is required by staff and students Gr 3-12 (and highly recommended for K-2) for indoor common areas.

Protective barriers (provided by the School Division) or masks must be used in the classroom if 2m cannot be maintained.

All students must wear a mask on buses

We have a designated sick room for students to use while waiting for pickup, if symptoms develop during the school day

Staff and students will not attend school if experiencing flu-like symptoms, and must be given medical clearance to return

Engagement

Communication between school and home is extremely important for success and safety this school year

Paperless communication is preferred, so if you are not receiving emails, please call the school to update your email address and phone number

Parents, students, & staff have roles & responsibilities to uphold to ensure the success and safety of our students

Parents are responsible for monitoring their children, keeping them at home, and communicating with the school if they exhibit any flu-like symptoms

We wish to thank everyone for their understanding during this transition back to the classroom. We hope this snapshot gives you a quick overview of our plan to keep everyone safe and successful this year at Englefeld School. To see our full return to school plan, please visit our website/Facebook and refer to the document "Englefeld School: Re-entering Horizon".

...continued!!

School Day Structure

We will limit movement within the school:

- Staggered use of halls- 2 cohorts at a time
- Staggered recesses
- Staggered bus/town arrival and dismissal

Students are asked to arrive at school no earlier than 8:35 am

Restricted number of students (4) in an entrance at one time. (Students may have to wait outside before they are able to enter. There will be a supervisor directing traffic in the mornings.)

Restricted number of students (5) may use bathrooms or change-rooms at one time

Extra Curricular activities are on hold until further notice

Cohorts will remain within their classroom with the exception of PAA, Arts Ed., & Phys. Ed

Noon hour considerations are:

- Town students are encouraged to go home for lunch whenever possible
- Microwaves have been removed; students should bring lunches that can be eaten without reheating
- Canteen and Milk programs are on hold until further notice

Playground will be divided into zones, 1 for each cohort, on a rotating schedule

A separate bucket of sporting equipment/toys will be provided for each cohort

We will frequently sanitize common touch points and shared equipment

K-2 Accomodations

Routines promoting healthy habits, personal space and hygiene in public settings will be taught and practiced

Materials that cannot be sanitized will be removed or set aside for 3 days before being used by another student

Frequent sanitizing of shared materials and learning centers will occur

We are providing barriers which divide tables into separate spaces to be used for eating and individual work

The designated area to drop off or pick up students is outside of the main NE door. A staff member will be in the entry to assist children from 8:35-8:55 am

Sanitization

Students and staff will engage in frequent hand washing routines

Sanitization stations are located by all classroom doors, entrances, and water-fill stations

Students will sanitize desks before eating

Water bottles and fill stations will replace fountain use

Students will be taught how to properly clean chromebooks and iPads

Books and materials that cannot be sanitized will be set aside for 3 days before being recirculated

Caretaker will clean common touch points throughout the day
