## Congratulations to Manny Lefebvre on receiving the 2020 Volunteer Award!

I told my boss three companies were after me and I needed a raise to stay at my job. We haggled for a few minutes and he gave me a 5% pay raise.

Leaving his office, he stopped and asked me, "By the way, which three companies are after you?" "The gas, electric and cable company."

An elderly man was having hearing problems so he went to see a specialist. The doctor fitted him with some hearing aids that brought back his hearing to full strength. After a few weeks the man went back to the doctor to make sure the new equipment was working properly, which it was. The hearing specialist said, "It all seems perfect. Your family should be delighted you can hear everything now."

"Oh, no," the man responded. "I haven't told any of them. I just sit quietly, listening carefully. I've changed my will four times."

A police officer attempts to stop a car for speeding and the guy gradually increases his speed until he's topping 100mph. The man eventually realizes he can't escape and finally pulls over. The cop approaches the car and says, "It's been a long day and my shift is almost over, so if you can give me a good excuse for not pulling over right away, I'll maybe let you go." The guy thinks for a few seconds and then says, "My wife ran away with a cop about a week ago. I thought you might be that officer trying to give her back."

The teacher noticed that  
Little Johnny had arrived  
at school wearing only one  
glove.  
"Why have you got on only  
one glove?" she asked.  
"Well, Miss," explained  
Little Johnny, "I was  
watching the weather  
forecast on TV last night,  
and it said it was going to  
be quite sunny but on the  
other hand it could get  
quite cold."
