Sarah was reading a newspaper, while her husband was engrossed in a magazine. Suddenly, she burst out laughing. "Listen to this," she said. "There's a classified ad here where a guy is offering to swap his wife for a season ticket to the stadium."

"Hmm," her husband said, not looking up from his magazine. Teasing him, Sarah says, "Would you swap me for a season ticket?"

"No, I don't think so," he says.
"How sweet," Sarah says. "Tell me why not."
"Season's half over," he says.

GRAIN, FERTILIZER & EQUIPMENT HAULING

A little four year old boy was sitting on the toilet. His mother thinks he has been sitting there too long, so she goes into the bathroom to see what's up. The little boy is sitting on the toilet reading a book. But about every 10 seconds or so, he puts down the book, grips onto the toilet seat with his left hand, and hits himself on top of the head with his right hand.

His mother says, "Billy, are you alright? You've been in here for a while."

Billy says, "I'm fine, mommy, I just haven't gone 'doody' yet." His mom replies, "Okay, you can stay here a few more minutes. But, Billy, why on earth are you hitting yourself on the head?" To that Billy states, "Works for ketchup."
