MARCH 2021

MONTHLY AD DEADLINE: 26th of each month

IMPORTANT SAFETY REMINDER ABOUT PARKING AND CROSSWALKS

Please remember that during our School Renovations, the entrances and pick-up/drop off procedures are quite different than we are used to.

- K-6 students must now enter through the back door by the ball diamonds. This door can be accessed by walking around the gymnasium.
- 7-12 students and guests (with meetings booked) may enter using the high school entrance on the south side of the school. Please remember that all guests must follow protocol (sign in, sanitize, and mask) and report directly to the office for meetings.

In regards to parents who are picking up their children from school, it is important that you do NOT pull into the staff parking lot. This area is now our bus pickup area, and other traffic is not allowed. You may park along the playground, or on the side streets at either end of the school. Please note that until all crosswalks have been cleared, and all students are safely off the school grounds, you will NOT be permitted to drive through an area marked by a student crosswalk. We will have staff outside to help with traffic flow. If you are in a hurry to be somewhere, we suggest that you park in a direction that allows you to leave without going through student crosswalks. The fines for this could be anywhere from \$170 to \$360.

We appreciate your patience while waiting for our students to safely cross.

Please refer to the Google Map provided and avoid the RED ZONE before and after school hours. If you have any questions or concerns feel free to contact the office at (306) 287-3568.
