CWL NEWS...

All but one of the amendments was passed at our meeting on Mar 13, 2022. The members defeated the motion to change the name of our patroness.

The motion to increase membership fees was passed to allow for the increase in overhead and decline in membership. If the motion passes at diocesan, provincial and national levels our per capita fees will be \$40 per member. Consequently our members moved to increase our local membership to \$50 per year. This will be in affect in 2023.

Thanks to all who purchased pies and especially to all who assisted in the making of 109 pies.
