Pig House News

by Manny Lefebvre

The little pig house by the highway has had a lot of visitors since it went up in 2015. A wooden pig mailbox was added in 2016. It received a lot of "mail" but it didn't weather well so

in 2020 it was replaced with a plastic 3d printed version. It has been interesting to read the notes left by the visitors. A total of 686 have been left from people far and wide. Many indicated where they were from, including these Canadian provinces:

119 Saskatchewan
59 Alberta
36 Manitoba
19 B.C.
12 Ontario
2 New Brunswick
2 Newfoundland
3 Northwest Territories

June 2016

Also from other countries:

9 from United States (2 New Jersey, 3 Texas, 2 Arizona, 2 Wisconsin)
3 England, 1 Mexico, 1 Australia, 1 South Africa, 1 Germany, 1 Ukraine
417 did not indicate where they were from.

Sept. 2020

Of course many people who stop don't take the time to leave a note. We even had a horticulture tour bus stop in 2019.

A visitor stopped once each season to take her picture by the pig house and in December of 2021 the pictures were featured in the *Prairies North Magazine*.

The notes have always been very positive. It's especially fun to see notes and drawings left by children. This little road side attraction has certainly gained recognition for Englefeld and its Hogfest.

This past summer Charlie &

Debbie Biemans spearheaded the construction of the little brick pig house in the park to add to the theme. Will the straw house be next?
