THE ADVENTURES OF
ALIURAMAN
 BY JEFF BURTON AND JASON SYLVESTER

Everyone was seated around the table as food was being served. When little Logan received his plate, he immediately started digging in. "Logan!

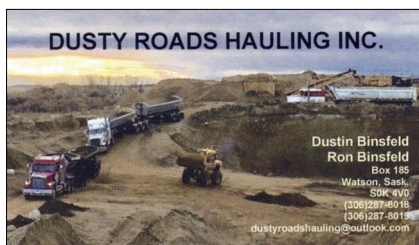

Wait until we say our prayer," his mother scolded him.

"I don't have to," the little boy replied.

"Of course you do," his mother insisted, "we say a prayer before eating at our house."

"That's our house," Logan explained, "but this is Grandma's house and she knows how to cook."
