Mom: How was your first day of school?
 Child: I think I need a new teacher.
 Mom: Do you not like your teacher?
 Child: I like my teacher very much!
 Mom: Then why do you think you need a new teacher?
 Child: My teacher doesn't know anything!
 Mom: I don't understand.
 Child: She keeps asking us for all the answers. She doesn't even know her colors! She had to ask the class to name them for her.

A blonde and her boyfriend went to a football game. They had great seats—right behind their team's bench. After the game, the boyfriend asked the blonde what she thought of the game.
"Oh, I really enjoyed it," she said. "The tight pants, the big muscles... but one thing confused me."
"What's that?" he asked.
"Well," she explained, "they flipped a coin at the start, one team got it, and then the whole game I kept hearing 'Get the quarter back! Get the quarter back!' I was thinking.. Why are they so desperate over 25 cents?"
